## TANZWERKSTATT EUROPA

JOINT ADVENTURES has organized TANZWERKSTATT EUROPA (DANCE WORKSHOP EUROPE) in collaboration with the Office for Cultural Affairs of the City of Munich since 1989. The program of events includes performances, production, lectures, and video art. The international workshop program offers courses taught by international instructors for professional dancers and enthusiastic amateurs, as well as choreographic projects.

The next TANZWERKSTATT EUROPA will take place from July 31 to August 10, 2003

Six German dance organizers are the founding members and network partners of the NATIONALES PERFORMANCE NETZ (NATIONAL PERFORMANCE NETWORK, NPN). The NPN's goal is to encourage the ongoing exchange of dance productions within Germany. To accomplish this, NPN supports trans-regional guest performances of contemporary dance. Funding for these guest performances is made possible through collaboration with the federal government and several federal states.

## BAYERISCHER LANDESVERBAND FÜR ZEITGENÖSSISCHEN TANZ (BLZT)

Founded in 1997, the BLZT (BAVARIAN STATE ASSOCIATION FOR CONTEMPORARY DANCE) regards itself as a connective link between dance-makers, political institutions, and the general public. A jury from the BLZT awards funds made available by the Bavarian State Ministry for Science, Research, and Art to support dance productions, educational projects, and events.

## MICHA PURUCKER

JOINT ADVENTURES undertakes the production management for the well-established Munich-based choreographer Micha Purucker, who has regularly received the "Discretionary Grant of the City of Munich" since 1995.

The world premiere of his newest production, "We Believe in Miracles ..." took place in January 2003 at Muffathalle in Munich. "We Believe in Miracles" is being created in collaboration with artists from Munich and Seoul, where Purucker has worked for the past ten years as choreographer and instructor at the National Academy for the Arts.

## ROSEMARY BUTCHER - CHOREOGRAPHER-IN-RESIDENCE

JOINT ADVENTURES is producing "White" (working title), the newest project by the renowned British choreographer Rosemary Butcher. This international, site-specific work occupies a middle ground between the genres of dance, architecture, video art, and music. The world premiere of "White" took place on February 13 and 14, 2003 at the Muffathalle in Munich.
