

## IFACCA national membership contributions

The International Federation of Arts Councils and Culture Agencies (IFACCA), the global network of national arts funding bodies, is funded by membership contributions, grants from foundations, and sponsorships. There are two categories of IFACCA membership: national and affiliate.

**National members** are national arts councils or government agencies (including ministries of culture) whose primary role it is to support the arts and culture through funding and/or promotion. The table below lists the annual membership contributions for each country. All contributions are expressed in Australian dollars (AUD).

### **More information**

More details, including benefits of membership and a list of current members, can be found at [www.ifacca.org/membership/benefits/](http://www.ifacca.org/membership/benefits/). If you have any questions about membership of IFACCA, please email the secretariat at [info@ifacca.org](mailto:info@ifacca.org).
